Kosana Wind Privacy Policy Statement

You can learn about the information we gather about you when you use our website in our privacy notice. We are acting as a data controller by gathering this data, and as such, we are obligated by law to tell you about our company, the purposes for which we use your data, and the rights you have with regard to your data.

Kosana Wind is a recruitment company that specialises in recruiting staff for renewable energy projects. It is Kosana Wind's responsibility to make sure that the General Data Protection Regulation is followed when using personal data.

Kosana Wind only gathers and uses your personal information where it is permitted by the relevant legislation.

As per the currently in force laws and the EU general data protection regulation (GDPR), to process your personal data, if there is no legitimate interest for that reason, we will obtain your consent, as per our legal obligation, to implement our agreement with you.

Kosana Wind will treat personal data under the following guidelines:

- Personal information will only be gathered for certain uses.
- Beyond what is required to fulfil those goals, we won't gather personal information.
- Personal information will not be used for reasons other than those for which it was originally gathered unless specifically stated in this agreement or with consent obtained in advance.
- With the exception of what is specified below or with prior authorization, we will not transfer personal data to third parties or internationally.
- To ensure the security of our processing of personal data, we shall adhere to strict technological requirements.
- We shall not keep personal data in an identifiable form for longer than is necessary to achieve its goals or as long as is mandated by law unless otherwise stated above.

When using our website

- You don't have to declare who you are to use our website.
- The domain name of the website you came from, the number of visits, the average amount of time spent on the site, and the pages viewed are just a few examples of the non-personal data we may automatically collect when you use our website to browse our products and services and view the information we make available.
- Cookies are used in order to accomplish this gathering.
- Small data files called cookies are frequently employed as an anonymous unique identifier. These are transferred from the website you visit to your browser and saved to the hard disc of your computer.
- These "cookies" are used by our website to gather data and make improvements.

Service Companies

- We might hire outside businesses and people for the following reasons:
- Make our website easier to use.
- Execute services pertaining to websites.
- Help us analyse the usage of our website.
- Your personal information could be accessible to these third parties. With this access, they can carry out the duties that have been delegated to them on our behalf.
- Kosana Wind has put in place the required security measures to secure your data and takes all reasonable organisational and technological security precautions to protect your personal information. All your personal information will be handled with the utmost confidentiality and used exclusively for the intended objectives.

Children' Privacy

Anybody under the age of thirteen is not addressed on our website. We do not intentionally ask minors under the age of 13 for personally identifiable information. If we find out that a kid under the age of 13 has given us personal information, we promptly remove it from our systems. Please get in touch with us if you are a parent or guardian and you are aware that your kid has given us personal information so that we can take the appropriate action.

Your rights with relation to data

- You are legally entitled to access the information we have about you and have it updated if it is incorrect. You have the right to revoke your permission at any moment if we have requested it to handle your personal data.
- You can request a copy of your personal data in a machine-readable format so that you can transfer it to another provider if we are processing it for consent-related purposes or to carry out a contract.
- You have the right to request that your personal data be deleted if we are processing it based on your permission or a legitimate interest.
- If you think we are not using your information legally, you have the right to request that we cease using it for a specific amount of time. Lastly, there are situations in which you can request that we refrain from utilising automated processing or profiling in our decision-making.
- Please contact us at info@kosanawind.eu if you would want to use your right to access your personal data, object to its processing, or have the processed data corrected.
